Mr. Harry L. Spooner,  
Fremont, Mich.

Dear Mr. Spooner:

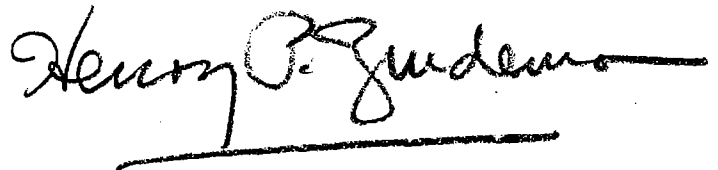

I am sending you some of the clippings on the Dudgeon cases, but I am sorry that upon consulting my files I find that the first stories we had upon the affair--those concerning a visit I made to the Dudgeon home at the time of the ~~mob~~ mobs action--have disappeared.

Inasmuch as those I am unable to supply revealed the Dudgeon side of the case--not to be ~~submerged~~ submerged in the great amount of damaging evidence produced against them--I am sorry I have lost these.

You are indeed welcome to glance over those I have sent. Return them at your leisure.

Assuring you I am glad to aid you in this manner, I am

Truly yours
