

MICHIGAN
EXECUTIVE OFFICE-PARDON DIVISION
LANSING

August 21, 1929.

ARTHUR D. WOOD
COMMISSIONER OF PARDONS AND PAROLES

Mr. Harry L. Spooner,
8127 Lane Ave.,
Detroit, Michigan.

Dear Mr. Spooner:

In re: Meda Modell.

This will acknowledge receipt of your favor of August 9th with reference to the above captioned case, addressed to Governor Green and referred to this Division for attention.

In reply, please be advised that this case has been under investigation for some time and only last week I endeavored to arrange a conference between Judge Barton and Governor Green which I was unsuccessful in bringing about for the reason that Judge Barton had to hold Court at St. Ignace.

From your letter in which you state, "I have not been asked anything about it," I gather that you have some information which you desire to submit. If so, I shall be pleased indeed to personally hear what you have to say, or you may present it in writing.

Very truly yours,

Commissioner.
