Mr. Harry L. Spooner,
Fremont, Mich.

My dear Mr. Spooner:

I herewith inclose to you the life letter written by Meda Hodell and I ask that you keep this entirely to yourself and when you have finished with it return it to me.

I am pleased to note that you got ahead of the Associated Press man in the report of the jury and am glad you were able to do so. I never thought at any time during the trial of the case that they would enter a verdict of "guilty".

I also wish to say that I consider your report of the trial from beginning to end was fair and unprejudiced. With best regards, I remain

Yours very truly,

Fred R. Everett,
