Dear Mrs. Sanderson--

Will you kindly tell me the first name of Mrs. Montague,
who used to work for you in the jail?

I am writing a story of the Haddell-Dudgeon case for a
true crime magazine and I need to use her name in the story as
she rented her car to one of the state police to use.

I reported the last case held in White Cloud for the
Muskegon Chronicle and so am familiar with the case.

Thanking you for this information, and awaiting your
reply, I am,

Very truly yours,

Harry L. Spooner
