Mrs. A. J. McKinley,  
Grant, Mich.

Dear Mrs. McKinley--

Can you tell me when it was that the body of a woman was found in the roadway near the Frye school in Ensley while workmen were widening the road?

Also, can you tell me when it was that Mrs. Nellie Reynolds disappeared from her home in Ensley?

Do you know if Amos Frye is still living?

Thanking you for any of the above information asked for that you can give me, and awaiting your reply, I remain,

Sincerely yours,

*Harry L. Spomer*

Do you know what became of the skeleton of the woman found? I think Mr. McKinley was coroner at the time and I thought perhaps you might know.

Dear Mr. Spomer--

I am sorry that I am not able to give you any information on these people but I do remember that Mr. McKinley was called over east of Grant around 15 or 20 years ago when workmen found a human skeleton while at work. He had the bones here for a time but I think never found out whose they were. I am not sure what became of them.

I believe you might find out more if you would write to

Wilbur Frye, Sand Lake, Michigan.

He lives near the Frye school in Ensley but I am quite sure he gets his mail at Sand Lake.

*Mrs. McKinley*
